Please note that if the wrong swim level is chosen, we will only be able to provide a refund with Town credit only. We also will not be able to accommodate changing the participant to the correct level.

What about COVID-19?

If needed, we will make adjustments to our programs based on the current health guidance (Federal, State, and/or County).

What if my participant cannot pass a swim test?

If your participant cannot pass a swim test, your participant will be asked to withdraw from the course. If you sign your participant up for a level that they do not meet the prerequisite and cannot pass the swim test, you will only be refunded with Town credit.

If there is space available, your child will be transferred to the correct level.
